

Call for Nominations

Distinguished and Honorary Member Awards

Dan Lass, Chair

NAREA calls for nominations for **Distinguished Member** and **Honorary Life Member Awards**.

All members of NAREA are eligible for nomination to receive the **Distinguished Member Award**, in recognition for “continuous and outstanding contributions to the Association, the region and the profession” and typically “to recognize members for significant recent professional achievements in the context of an overall meritorious record.” Recipients may be in teaching, research, extension, administration, government or business. According to the by-laws: <http://www.narea.org/bylaws.html>, an individual may receive the award more than once. To be eligible, each candidate must be nominated by a member in good standing and that nomination must be co-signed by two additional members in good standing. The nomination letter should specify why the nominee meets the criteria for the award.

The **Honorary Life Member Award** is given to individuals who are recent active members and who have retired from their main professional position. It recognizes members in good standing of the Northeastern Agricultural and Resource Economics Association who have actively participated in the affairs of the Association and its predecessor organizations as appropriate, and who, while maintaining an active interest in their profession, have recently retired from their formal professional position that comprised the major reason for their initial involvement with the Association. To be eligible, each candidate must be nominated by a member in good standing. The nomination letter should specify why the member is deserving of the award.

Additional information on both awards may be found on the Association’s website, www.narea.org. The deadline for nominations is **March 4, 2013**. Please email nominations to: Dan Lass (dan.lass@isenberg.umass.edu).
